GIN&TONIC

\$15

A gin and tonic is a highball cocktail made with gin and tonic water poured over a large amount of ice. The ratio of gin to tonic varies according to taste, strength of the gin.

KYRO NAPUE

Enjoy your Kyrö Gin & Tonic with plenty of ice, a few cranberries, a sprig of rosemary and Fever Tree Indian Tonic. full bodied herbal flavour, notes of pepper, rye on the tongue, essential oils of meadowsweet.

JAISALMER INDIAN CRAFT GIN

Derived from the ancient Indian knowledge of herbs; retaining the classic gin flavor of juniper berries, a refreshing twist has been added with hand-picked Indian botanicals.

COLOMBO LONDON DRY GIN

Four native botanicals cinnamon bark, curry leaves, ginger root and coriander seeds combine with base notes of juniper berries, liquorice and angelica, to create a beautifully balanced, subtly spiced gin.

OLD FASHIONED

\$18

The old fashioned is a cocktail made by muddling sugar with bitters and water, adding whiskey or, less commonly, brandy, and garnishing with orange slice or zest and a cocktail cherry.

BLANTON'S ORIGINAL

This deep amber whiskey has a complex aroma of vanilla, mint and molasses. Pleasantly sweet to the taste with notes of brown sugar and spice that give way to oak, toffee, dark fruit and anise

DAD'S HAT RYE

"An excellent young rye. The nose is clean and complex; crushed grain, grasses, sweet spice and the bitter herbal note of rye. It's all there on the tongue with a light barrel character, moving to a neatly integrated finish."

PANAMA RUM

The unctuous initial nose wavers between exotic fruit, spice and green liquorice. Allowed to breathe, it reveals notes of honey and vanilla. Gradually it becomes increasingly mature. The lively attack is hot and medicinal (balm). Next, ripe fruits release their sweet juices onto the tongue and coconut milk coats the sides of the palate. The finish is heady, exotic, vanilla and mentholated.
